JASEEL K T

UI DEVELOPER

PROFILE

UI Developer with 8 Years of Experience in Designing and Developing Web and Mobile Applications. Skilled in HTML, CSS, Bootstrap, Tailwind, JavaScript, and React, with proficiency in creating intuitive interfaces using Figma. Seeking to contribute to a growth-oriented organization while enhancing both professional and technical skills.

EXPERIENCE

Smart management it solutions | Qatar

UI Designer & Developer - (2017 – 2023, Feb 2024 – July 2024)

- Designed and developed responsive websites and mobile applications using HTML, CSS, Bootstrap, and JavaScript.

- Collaborated closely with backend developers to seamlessly integrate UI components.

- Spearheaded the UI design process, creating visually appealing and intuitive user interfaces.

- Utilized Figma to create wireframes, prototypes, and design systems for various projects, ensuring consistent branding and visual appeal.

- Iteratively refined designs based on user testing results and feedback.

- Conducted design reviews and provided constructive feedback to team members.

- Contributed to full-stack development with React, improving website interactivity and modernizing web applications.

Pink Lemonade Communications Pvt Ltd | Bangalore
